

## CONSTANȚA MULTIPURPOSE SPORTS ARENA

Architect	ADEST ARCHITECTURE
Location	254 Aurel Vlaicu Blvd., Constanța, Constanța County
Function	Event Hall, Parking
Scale	18 500 sqm
Client	UAT Constanța, C.N.I. S.A.
Year	2015

This project is comprised of 2 stages: the concept and the feasibility study.

The building is displayed on a lower floor (demi-basement), ground floor and a first floor, with a total gross area of 18 500 sqm.

The sports arena will accommodate 5 000 people, but during conferences and other temporary activities it could fit around 7 000 people.

The bleachers will be displayed vertically, on 2 levels, surrounding the lower level.

The exterior shape is due to the air currents.
