REFURBISHMENT OF THE LOBBIES

AMERICA HOUSE OFFICES

Architect	ADEST ARCHITECTURE
Services provided	Interior Design Concept, Detailed Design Concept
Location	Bucharest, Romania
Client	Complexul Multifunctional Victoria S.R.L.

Design Aspect

Design object—interior refurbishment of the access lobby of America House. Adest team provided two conceptual design solutions for the interior refurbishment of the lobby, based on alternative finishes and materials in order to obtain an elegant and welcoming atmosphere.
The high quality materials, the color scheme and the lighting design came together to accomplish the clients demands of esthetics, quality and functionality, creating a remarkable and distinctive effect that emphasizes the significance of the building and its urban context
