ROMANIAN JUSTICE DISTRICT

Architect	ADEST ARCHITECTURE
Location	Unirii Blvd., Bucharest, 3rd Distrct
Function	Civic + Government, Offices, Education
Scale	> 107 000 sqm
Client	Romanian Ministry of Justice
Year	2013

The masterplan for the new Justice District in Bucharest was a joint project designed in collaboration with “Ion Mincu ” University of Architecture and Urbanism.

This option is based on the proximity of the National Library, the Bucharest Courthouse , and the “George Enescu” Concert Hall, providing the perfect diverse backgorund for such a complex architectural program such as a justice district.
